

THE 4R STORY

Where the shortgrass prairie drops into the Red River Valley, the 4R Ranch—with its majestic vistas and rocky terrain—is perfectly suited for growing grapes.

Patriarch W.C. Roper encouraged his family of fifth-generation Texans to share the beauty of this extraordinary place with others; and so it was love of this man and love of the land that inspired 4R Ranch Vineyards & Winery. Chinquapin oaks, white-tailed deer, the endangered black-capped vireo, and the occasional Rio Grande turkey inhabit this incredible property.

Powered by sun, earth and wind, 4R Ranch Vineyards & Winery calls us all to slow our pace, enjoy the view, and sip a glass of wine in the magnificent Red River Valley.

EXPERIENCE 4R WINES

The Wind Shed Tasting Room, which takes its name from the strong breezes that power the wind turbines on the property, is the ideal place to relax, unwind and enjoy 4R wines. The Wind Shed's cantilevered deck offers 270-degree views of the breathtaking Red River Valley. The Wind Shed tasting menu features estate wines produced from the Viognier and Cabernet Sauvignon vineyards on the ranch, as well as a collection of white, rosé and red wines produced from carefully sourced grapes to please many palates.
